

Sample. Made from an invented birth (ଜାନ୍ମିଆରୀ 14, 1992, 6:40 in the morning, Madurai). It is nobody's reading.

Going abroad: what your chart leans to, and when

Sample (invented birth)

Parts of this report are shown in English while the ଓଡ଼ିଆ translation is being reviewed.

Born 14 January 1992, 06:40

At 9.9190° N, 78.1195° E

34 years, 9 months and 13 days old today

Mesha (Aries) rasi · Ashwini pada 4 · Dhanus (Sagittarius) lagna · Chandra (Moon)–Ketu to 26 Mar 2027

Sample (invented birth), the next window for work at home or abroad runs from November 2032 to November 2033, though it is a demanding one.

Dates to keep

Now – 26 Mar 2027

Little changes for travel.

26 Mar 2027 – 23 Nov 2028

Little changes for travel. The stretch is more about loss through theft, being misled and setbacks.

23 Nov 2028 – 25 May 2029

Little changes for travel. The stretch is more about prosperity shared with the family, good works and favour from people in authority.

In this report

2 Distance and foreign lands

This is what your chart shows about distance and living abroad: which way it leans, and how strongly.

3 Your recent years, to check against your memory

Before the years ahead, here is how your last few years went for travel.

4 Studying abroad

Your chart does not tie study to living away.

5 Marriage and distance

Your chart does not tie marriage to distance.

6 The period you are in now

You are in a chapter of your life that lasts 10 years and ends in May 2029.

7 Your dasha periods

You are in a long chapter of your life that runs until May 2029.

1 Travel and moving: when, and what to do

Sample (invented birth), the next window for work at home or abroad runs from November 2032 to November 2033, though it is a demanding one.

When it comes, that stretch tends to bring work you started carried through to completion, your name becoming known and a settled and lasting position. You are 40 to 41 then. After that: October 2035 to May 2036, from age 43 to 44. Until November 2032, build the skills and papers employers abroad ask for. Avoid leaving a job here before an offer is in writing. (Why: Budha (Mercury) runs this stretch within your Sevvai (Mars) period, and the two pull against each other.)

No single stretch stands out for travel in the years ahead. No period the texts point to for travel falls in the next 15 years. (Why: none of the twelfth from your ascendant lord, your third, seventh or ninth houses, or the placements of travel is marked strongly either way.) Go when the opportunity and the papers are right; here the plan decides, not a date. These are periods, not a date. A journey can come outside them, and nobody needs paying to fix the timing. Your birth time is within 5 minutes of a change in your rising sign, so what depends on it was set aside.

Nothing in the stretch you are in leans either way on travel. This stretch runs until March 2027. (Why: neither the period you are in nor Jupiter and Saturn from your Moon say anything about travel now.) Travel as your plans need; nothing in this stretch asks you to hurry or to wait.

The next stretch that favours study, at home or abroad, runs from November 2030 to October 2031. When it comes, that stretch tends to bring knowledge gained and kept. You are 38 to 39 then. After that: November 2032 to November 2033, from age 40 to 41. Until November 2030, sit the tests and gather the papers a course abroad asks for. Avoid paying fees before you have checked the course. (Why: Guru (Jupiter) and Sevvai (Mars), the two planets running this time, work well together.)

The next stretch in which officials lean your way runs from November 2028 to May 2029. When it comes, that stretch tends to bring favour from people in authority. You are 36 to 37 then. After that: June 2035 to October 2035, at age 43. Until November 2028, fix whatever an earlier refusal named, and file early rather than late. Avoid paying anyone who promises a result.

2 Distance and foreign lands

This is what your chart shows about distance and living abroad: which way it leans, and how strongly. It is a leaning, not the answer to an application, which is decided by the office that reads it. Nothing below promises or refuses you anything.

None of it decides what happens at an embassy counter. A chart describes an inclination; the decision is made by whoever holds the file.

Venus stands in your twelfth house, one of the places a planet is comfortable in a difficult house: comfort, pleasure and beauty in the house of retreat. You have a private life you genuinely enjoy.

You carry a certain separateness with you: wherever you are, you are often slightly apart from the room. (Why: the lord of your twelfth house (distance, retreat, letting go) is in your first.)

You live abroad.

Later in life you leave the place you were raised.

Your journeys are made for the household: travel with a purpose that usually pays for itself. (Why: the third lord is in your second house.)

Other places come to you rather than you going to them: you deal with people from elsewhere without leaving where you are. (Why: the seventh lord is in your first house.)

3 Your recent years, to check against your memory

Before the years ahead, here is how your last few years went for travel. Check each line against what you remember.

March 2017 to January 2018 (age 25–26): a good stretch for travel. It tends to bring trips for pleasure. (Why: Budha (Mercury) rules your seventh and tenth houses and is well placed in your chart.)

March 2025 to August 2026 (age 33–34): a good stretch for travel. (Why: Budha (Mercury) rules your seventh and tenth houses and is well placed in your chart.)

Sample (invented birth), you may remember these years that way. This report dates the years ahead by the same rule.

4 Studying abroad

Your chart does not tie study to living away. Nothing in it joins your fourth, ninth and twelfth houses that way.

A course abroad stays open to you; the chart simply does not push you towards one. Choose on the course and the cost.

5 Marriage and distance

Your chart does not tie marriage to distance. Nothing in it joins your seventh and twelfth houses that way.

Sample (invented birth), a match from abroad stays open to you; the chart simply does not push you towards one.

When marriage comes, with your age in each stretch, is set out in the report “When your marriage comes: the years your chart marks”.

6 The period you are in now

You are in a chapter of your life that lasts 10 years and ends in May 2029. Until March 2027, little changes for travel. No other good stretch for travel starts before May 2029. (Why: Ketu runs this stretch inside the Chandra (Moon) period.)

Ten years under the Moon. A period governed by what you feel rather than what you decide. It turns you toward home, family and the people you are attached to, and toward an openness that makes this a good stretch for what needs care and a difficult one for what needs a firm edge.

Period lord	From	To	What it brings in travel	For you	What it is made of
Chandra (Moon) (lived)	25 May 2019	25 Mar 2020	A new chapter opens; plan around the stretches that follow, which carry what it brings.	Quiet	You get the larger period's themes at full strength. (Why: Chandra (Moon) runs this stretch as well as the larger period, so nothing from another planet is mixed in.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Sevai (Mars) (lived) (this reading)	25 Mar 2020	24 Oct 2020	Little changes for travel. The stretch is more about a child born into the family, spending on good causes and respect	Quiet	(Why: Sevai (Mars) rules your fifth and twelfth houses and is well placed in your chart.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Sevai (Mars) is neutral to Chandra (Moon).) Luck comes through people:

Period lord	From	To	What it brings in travel	For you	What it is made of
			and good times among relatives.		teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Sevvai (Mars) stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Rahu (lived)	24 Oct 2020	25 Apr 2022	Plan by the last column: this stretch brings no matters of its own.	Quiet	Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Rahu is neutral to Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Rahu stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Guru (Jupiter) (lived) (this reading)	25 Apr 2022	25 Aug 2023	Little changes for travel. The stretch is more about a rise in standing, help you give to relatives	Quiet	(Why: Guru (Jupiter) rules your first and fourth houses and is well placed in your chart.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Guru

Period lord	From	To	What it brings in travel	For you	What it is made of
			and a settled and contented life.		(Jupiter) is neutral to Chandra (Moon).) What you set going earlier comes good now, without being forced. (Why: Guru (Jupiter) stands fifth from Chandra (Moon), the most favourable distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Shani (Saturn) (lived) (this reading)	25 Aug 2023	25 Mar 2025	Little changes for travel. The stretch is more about missteps when you speak in public, bad advice steering your plans and promises that slip.	Quiet	(Why: Shani (Saturn) rules your second and third houses and is not well placed: it is too close to the Sun.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Shani (Saturn) is neutral to Chandra (Moon).) It shows in what you do and in how others see you doing it. (Why: Shani (Saturn) stands tenth from Chandra (Moon), the distance of action.) A mixed stretch: gains and comfort at times, friction with those closest to you at others. (Why: Shani (Saturn) under Chandra (Moon) is the exception at this distance.) Its tie to the larger period is

Period lord	From	To	What it brings in travel	For you	What it is made of
					mixed. (Why: that is the Chandra (Moon) period.)
Budha (Mercury) (lived) (this reading)	25 Mar 2025	25 Aug 2026	Expect trips for pleasure. Take the holiday; trips for pleasure go well in this stretch.	Good	(Why: Budha (Mercury) rules your seventh and tenth houses and is well placed in your chart.) What you start in this stretch tends to move without a fight: it works with the larger period, not against it. (Why: Budha (Mercury) is a natural friend of Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Budha (Mercury) stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Ketu (now) (this reading)	25 Aug 2026	26 Mar 2027	Plan by the last column: this stretch brings no matters of its own.	Quiet	Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Ketu is neutral to Chandra (Moon).) Results come to whatever you actually work at. Take the first step yourself; waiting gets nothing here. (Why:

Period lord	From	To	What it brings in travel	For you	What it is made of
					Ketu stands third from Chandra (Moon), the distance of effort.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Shukra (Venus) (this reading)	26 Mar 2027	23 Nov 2028	Little changes for travel. The stretch is more about loss through theft, being misled and setbacks.	Quiet	(Why: Shukra (Venus) rules your sixth and eleventh houses and is not well placed: it stands in your twelfth house.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Shukra (Venus) is neutral to Chandra (Moon).) The stretch turns on something you cannot see at its start. It is demanding, and it leaves you changed and deeper. (Why: Shukra (Venus) stands eighth from Chandra (Moon), the hardest distance.) Its tie to the larger period is strained. (Why: that is the Chandra (Moon) period.)
Surya (Sun) (this reading)	23 Nov 2028	25 May 2029	Little changes for travel. The stretch is more about prosperity shared with	Quiet	(Why: Surya (Sun) rules your ninth house and is well placed in your chart.) What you start in this stretch tends to move without a fight: it works with the larger

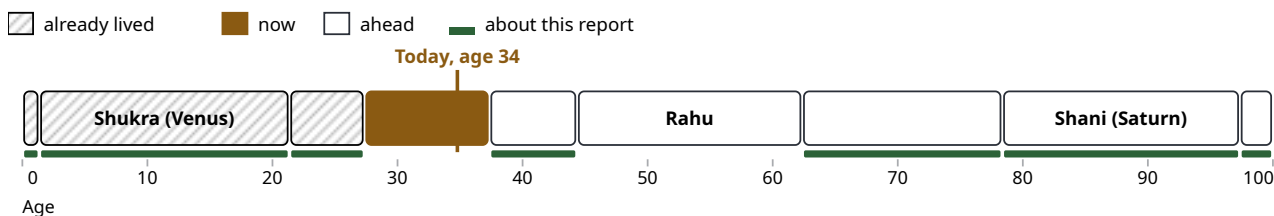

Period lord	From	To	What it brings in travel	For you	What it is made of
			the family, good works and favour from people in authority.		period, not against it. (Why: Surya (Sun) is a natural friend of Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Surya (Sun) stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)

Each row is one stretch of years: what to expect in it, and what to do. Plan for the harder side of a stretch when its planet is badly placed in this chart. You see only what bears on this report's subject, and a hard stretch shows at most three items. (Why: each stretch is a bhukti within a mahadasha; a planet is badly placed in the sixth, eighth or twelfth house, in the sign where it is weakest, in an unfriendly sign, or too close to the Sun; Rahu and Ketu rule no house, and a planet's first stretch in its own period adds nothing of its own, so the last column carries those rows.)

7 Your dasha periods

You are in a long chapter of your life that runs until May 2029. Use the table below to see what each chapter brings you. (Why: this is your Chandra (Moon) mahadasha.)

The shortest stretch running now lasts until November 2026. (Why: it is the Chandra (Moon) antaram, inside the Ketu bhukti.)

The nine periods of the 120-year cycle at a glance, from birth. Every date is in the table below.

Period lord	From	To	What it is about
Ketu (lived) (this reading)	25 May 1986	25 May 1993	marriage, partnership, and dealings with others
Shukra (Venus) (lived) (this reading)	25 May 1993	25 May 2013	Little for travel; leans to loss through theft, being misled and setbacks.
Surya (Sun) (lived) (this reading)	25 May 2013	25 May 2019	Little for travel; leans to prosperity shared with the family, good works and favour from people in authority.
Chandra (Moon) (now)	25 May 2019	25 May 2029	Little for travel; leans to debts cleared, a rise in position and disputes coming to an end.
Sevvai (Mars) (this reading)	25 May 2029	25 May 2036	Little for travel; leans to a child born into the family, spending on good causes and respect and good times among relatives.
Rahu	25 May 2036	25 May 2054	the self, the body and health, and how things begin
Guru (Jupiter) (this reading)	25 May 2054	25 May 2070	Little for travel; leans to a rise in standing, help you give to relatives and a settled and contented life.
Shani (Saturn) (this reading)	25 May 2070	25 May 2089	Little for travel; leans to missteps when you speak in public, bad advice steering your plans and promises that slip.
Budha (Mercury) (this reading)	25 May 2089	26 May 2106	Tends to bring you trips for pleasure.

Rows that end before today are years you have already lived. Check them against what happened: a period that does not match is worth noting.

Sample (invented birth), this is yours to keep. Come back to it whenever you need it.

8 If you already live abroad

If you already live away from where you were born, everything here still applies to you. A birth chart is cast for the place and the moment of birth, and it does not change when you move. Everything above holds wherever you live now.

What changes for you is the time. The dated stretches above mark the ones run by a planet tied to travel in your chart. They also say when the stretch you are in now ends. A marked stretch is one your chart gives to distance and movement; an unmarked one leaves it to your own plans. Whether one country suits you better than another is not read from a birth chart, and nothing here compares places. If it is your son, daughter or brother who lives abroad, run this report on their birth details. Their dates come from their chart, not your own. (Why: a marked stretch is a sub-period whose lord rules or stands in your twelfth, ninth, seventh or third house.)

9 How this chart was cast

Check the birth time first: 06:40, on ଭାରତ ମାଳାଙ୍କ ସମୟ, UTC+05:30. If an older horoscope shows 06:22, keep it: that is local time at the birth place, 18 min behind the clock.

Do not be thrown by a Western chart of this birth: every position here sits 23°45' behind it. (Why: that gap is the Lahiri (Chitrapaksha) ayanamsa.)

Check the houses against an older horoscope: they are counted by whole signs, each sign one house, starting from the rising sign. Check Rahu next: this chart takes it at its mean position, 15°22' Dhanus (Sagittarius), in Purva Ashadha. A horoscope on the true position puts it 39 minutes of arc away, in the same star: you can ignore the difference.

On 14 ଜାନୁଆରୀ 1992, at the birth place, the Sun rose at 06:38 and set at 18:14.

Check for 0 nazhigai 4 vinadi beside the birth time on a Tamil horoscope. That udayadi nazhigai is 0 h 1 min after that sunrise. (Why: two and a half nazhigai make an hour.)

If you doubt the recorded time, note that anyone born between 04:36 and 06:44 that day has Dhanus (Sagittarius) rising. A birth 124 minutes earlier would give Vrischika (Scorpio) rising. One 5 minutes later would give Makara (Capricorn) rising. Ask the family only if the time could be that far out.

The Moon changed star on 14 ଜାନୁଆରୀ 1992: from Ashwini into Bharani at 11:20. Use Ashwini as the birth star, for matching and at the temple: the Moon stood there at the birth.

10 The words and checks behind this reading

The words used above, defined — so you can check the reading against them, or hand these pages to the astrologer your family asks.

Each finding follows a classical rule. A dated period describes the kind of time those rules give; it does not fix an event to its dates.

The Tamil edition of this document prints the Tamil month and day beside each dated period as printed Tamil calendars give them: a month begins on the day the Sun enters its sign, by the calendar's own Sun, if it has entered by sunset at the place of birth, and on the next day if not. The chart itself, and every date it reads, is reckoned by Thirukanitha.

For your family astrologer

The charts, planetary positions and settings behind this report. These pages are for your jothidar, who can check every finding in this report against them.

11 Which planets carry travel

Some parts of your life have planets behind them and some do not. This is a second reading of the same birth.

Your chart puts a few of them in charge of travel. They are ranked below, strongest first.

Planet	Standing
Guru (Jupiter)	strongest
Surya (Sun)	strongest
Shukra (Venus)	strong
Budha (Mercury)	owns it
Sevvai (Mars)	owns it

The first one on that list matters most. When its turn comes round, this is the part of your life that moves.

These stretches are theirs: ନଭେମ୍ବର 2028 – ଫଇ 2029, ନଭେମ୍ବର 2030 – ଅକ୍ଟୋବର 2031 and ଜୁନ 2035 – ଅକ୍ଟୋବର 2035.

This part may not agree with the rest of your report. Where the two differ, you have both, and neither is held back.

12 Drekkana (D3) — the third house: courage, brothers

and sisters, and the journeys you make yourself

Meena	Mesha Mo 10°	Vrishabha	Mithuna Ke^R 15°	Meena	Mesha	Vrishabha Sa	Mithuna Ma
Kumbha	Rasi (D1) your birth chart			Kumbha Ke^R	Navamsa (D9) where each planet's strength is checked		Karka Mo Me
Makara Sa 13°				Makara Ve			Simha Ra^R
Dhanus Su 29° Ma 9° Me 11° Ra^R 15°	Vrischika Ve 22°	Tula	Kanya	Dhanus Su	Vrischika	Tula Ju^R	Kanya

Rasi (D1) — your birth chart

Navamsa (D9) — where each planet's strength is checked

How to read these charts: each square is a sign and never moves. Mesha is always second in the top row. The square with a slanting line across its corner is your rising sign ("La" in a hand-written jathagam). Count the houses clockwise from it. The short names are the planets in that sign. (Why: that square is your lagna, the first house.)

Meena	Mesha Me Ju^R Ra^R	Vrishabha Sa	Mithuna
Kumbha	Drekkana (D3) the third house: courage, brothers and sisters, and the journeys you make yourself		Karka Ve
Makara			Simha Su Mo
Dhanus Ma	Vrischika	Tula Ke^R	Kanya

Drekkana (D3) — the third house: courage, brothers and sisters, and the journeys you make yourself

Drekkana (D3) — the third house: courage, brothers and sisters, and the journeys you make yourself. The birth chart makes a promise about this part of life. The divisional chart says whether it is delivered, and it stands on its own terms with its own rising sign. Here Simha (Leo) rises. Your third ruler Shani (Saturn) falls in Vrishabha (Taurus) — the tenth from that rising sign.

That is an angle of the divisional chart — the first, fourth, seventh or tenth — the position of most effect. What your birth chart promises here is carried through, not just indicated.

13 Where the planets stand

Planet	Sign	Degree	House	Star	Strength
Surya (Sun)	Dhanus (Sagittarius)	29°22'	1	Uttara Ashadha 1	Friendly sign
Chandra (Moon)	Mesha (Aries)	10°44'	5	Ashwini 4	Neutral
Sevvai (Mars)	Dhanus (Sagittarius)	9°42'	1	Mula 3	Friendly sign
Budha (Mercury)	Dhanus (Sagittarius)	11°56'	1	Mula 4	Neutral
Guru (Jupiter)	Simha (Leo)	20°33' R	9	Purva Phalguni 3	Friendly sign
Shukra (Venus)	Vrischika (Scorpio)	22°30'	12	Jyeshtha 2	Neutral
Shani (Saturn)	Makara (Capricorn)	13°36'	2	Shravana 2	Own sign
Rahu	Dhanus (Sagittarius)	15°22' R	1	Purva Ashadha 1	—
Ketu	Mithuna (Gemini)	15°22' R	7	Ardra 3	—

Your Sun stands in Dhanus (Sagittarius). Western astrology would call it Makara (Capricorn). Both are measuring the same sky from different starting points. This document counts from the fixed stars, the Western one from the spring equinox.

The two have drifted 23° 45′ apart, which is the whole difference. That gap is why the sign you may already know is usually the one after this. Everything in this document uses the sidereal position.

Ayanamsa	Lahiri (Chitrapaksha)
Ayanamsa value	23° 45′ 3″
House system	Whole sign (rasi)
Rahu and Ketu	Mean nodes — the smoothed node, which is what every printed almanac uses
Dasha year	Julian year (365.25 days)

These four choices decide the numbers above. An astrologer working from a different setting will get a chart that disagrees with this one. The disagreement is in the convention rather than in the arithmetic. That is the first thing to check when this chart and one you already have disagree. (Why: a different ayanaamsa or a different node gives different numbers.)

Copy of 27 ଅକ୍ଟୋବର 2026
