Sample. Made from an invented birth (14 ਜਨਵਰੀ 1992, 6:40 in the morning, Madurai). It is nobody's reading.

StarTime

Prepared 30 ਅਕਤੂਬਰ 2026

Children in your chart, and the periods that favour them

Sample (invented birth)

Parts of this report are shown in English while the ਪੰਜਾਬੀ translation is being reviewed.

Born 14 January 1992, 06:40

At 9.9190° N, 78.1195° E

34 years, 9 months and 16 days old today

Mesha (Aries) rasi · Ashwini pada 4 · Dhanus (Sagittarius) lagna · Chandra (Moon)–Ketu to 26 Mar 2027

> Sample (invented birth), no single stretch stands out for a child in the years ahead.

Dates to keep

Now – 26 Mar 2027	Ketu
26 Mar 2027 – 23 Nov 2028	Shukra (Venus)
25 May 2029 – 21 Oct 2029	Ruler of your fifth · Sevvai (Mars), first house
17 Feb 2031 – 14 Jun 2031	Dhanus (Sagittarius)

In this report

2 **Judgement, learning and what you make — your fifth house**

✅ Whether a child will come, and by what means, is a medical question, and a chart does not settle it.

In this report

3 **Your recent years, to check against your memory**
Before the years ahead, here is how your last few years went for children.

4 **What stands in the fifth of your chart**
✓ Something stands in the fifth of your chart.

5 **Jupiter, and what he does for the fifth**
✓ Jupiter is marked in your chart, and in every chart he stands for the fifth.

6 **Saturn's gaze on the fifth**
✓ Nothing slows this part of your life from a distance.

7 **What else in your chart touches the children in your life**
✓ Other parts of your chart reach the children in your life too: your nature, a rare strength, or a source of friction.

8 **When children are at the front of your life**
The table below dates the next stretches when children, and your part in their lives, come to the front.

9 **The period you are in now**
You are in a chapter of your life that lasts 10 years and ends in May 2029.

1 The years your chart ties to children

> **Sample (invented birth), no single stretch stands out for a child in the years ahead.**

No period the texts point to for a child falls in the next 15 years. (Why: the lord of the ninth from your Moon stands in the fifth from it.) Plan on your own timing and your doctor's advice; here no date decides. These are periods, not a date and not a medical forecast. A doctor is the one to ask about health, and nobody needs paying to fix the timing. Your birth time is within 5 minutes of a change in your rising sign, so what depends on it was set aside.

2 Judgement, learning and what you make — your fifth house

Good news

Whether a child will come, and by what means, is a medical question, and a chart does not settle it. What your chart does say is here: how the fifth works for you. Your judgement, how learning reaches you, what you make, and the way you are with children. This report looks at one chart, your own. If you and your partner bring two charts, we look at each on its own. No traditional method puts your two charts together on this question.

A chart does not name a child's sex, and finding it out before birth is what India's PCPNDT Act forbids. (Why: this section takes the lord of your fifth house — where it stands, and how much strength it has to deliver what that placement promises.)

Work of this kind tends to carry your signature on it. You are not much good at doing it in somebody else's manner. (Why: the fifth lord sits in your own house, which ties what you make and what you teach closely to who you are.)

3 Your recent years, to check against your memory

> **Before the years ahead, here is how your last few years went for children. Check each line against what you remember.**

March 2020 to October 2020 (age 28): a good stretch for children. It tends to bring a child born into the family. (Why: Sevvai (Mars) rules your fifth and twelfth houses and is well placed in your chart.)

April 2022 to August 2023 (age 30–31): a good stretch for children. (Why: Guru (Jupiter) rules your first and fourth houses and is well placed in your chart. Guru (Jupiter) also stands for children in every chart.)

Sample (invented birth), you may remember these years that way. This report dates the years ahead by the same rule.

4 What stands in the fifth of your chart

Good news

Something stands in the fifth of your chart. It is the most specific thing your chart says about how your mind and your creative life work. What follows is what each planet brings you there.

This placement brings imagination, and warmth with children. (Why: the Moon stands in the fifth.)

5 Jupiter, and what he does for the fifth

Good news

Jupiter is marked in your chart, and in every chart he stands for the fifth. What that means is below, and it weighs on everything else here.

This is the protection this house has. Whatever else stands here, the planet that signifies the house is watching over it, and that covers a great deal. (Why: Jupiter aspects your fifth house.)

6 Saturn's gaze on the fifth

Good news

Nothing slows this part of your life from a distance. If Saturn stands in your fifth itself, you will find that above, among what stands there. (Why: Saturn does not cast its aspect on your fifth house from anywhere else in your chart, so there is none of the slowness Saturn brings from a distance.)

7 What else in your chart touches the children in your life

Good news

Other parts of your chart reach the children in your life too: your nature, a rare strength, or a source of friction. Each line below gives its own reason. (Why: each comes from the sign a graha stands in, a rare yoga, or your sixth lord standing in your fifth house.)

Sample (invented birth), the children in your life bring you joy. (Why: Maha yoga — two lords of your stronger houses stand in each other's signs.)

8 When children are at the front of your life

> **The table below dates the next stretches when children, and your part in their lives, come to the front. (Why: Sevvai (Mars) rules your fifth house, Guru (Jupiter) stands for children in every chart, and Budha (Mercury) is the child significator your chart picks by degree.)**

In your chart Budha (Mercury) is the planet for children, 11° 56′ into Dhanus (Sagittarius). Some astrologers count an eighth planet; in your chart that changes nothing, and Budha (Mercury) keeps the role. (Why: the Putrakaraka is counted with seven grahas, the way Jaimini counts it — each ranked by how far it has travelled through its sign, and the role goes to number 5 in that order; the eighth some add is Rahu.)

Significator	Planet, and the house it stands in	Sub-period, now or next	From	To	For you
Ruler of your fifth	Sevvai (Mars), first house	Sevvai (Mars) sub-period, in the Sevvai (Mars) mahadasha	25 May 2029	21 Oct 2029	Good
Jupiter, for children in every chart	Guru (Jupiter), ninth house	Guru (Jupiter) sub-period, in the Sevvai (Mars) mahadasha	9 Nov 2030	16 Oct 2031	Good
Putrakaraka, by degree	Budha (Mercury), first house	Budha (Mercury) sub-period, in the Sevvai (Mars) mahadasha	23 Nov 2032	21 Nov 2033	Take care

7 shorter stretches inside those years stand out. Together they are about 19% of the next fifteen years. (Why: in each of them Guru (Jupiter) crosses a sign your chart ties to children.)

From	To	Sign being crossed	Why this sign
17 Feb 2031	14 Jun 2031	Dhanus (Sagittarius)	The planet ruling that part of your chart sits here

From	To	Sign being crossed	Why this sign
15 Oct 2031	5 Mar 2032	Dhanus (Sagittarius)	The planet ruling that part of your chart sits here
12 Aug 2032	23 Oct 2032	Dhanus (Sagittarius)	The planet ruling that part of your chart sits here
18 Mar 2033	28 Mar 2034	Kumbha (Aquarius)	A point your birth hour marks for children falls here
9 Sep 2036	17 Nov 2036	Mithuna (Gemini)	The planet ruling that part of your chart has its ninth-part sign here
26 Apr 2037	16 Sep 2037	Mithuna (Gemini)	The planet ruling that part of your chart has its ninth-part sign here
17 Jan 2038	11 May 2038	Mithuna (Gemini)	The planet ruling that part of your chart has its ninth-part sign here

3 of these stretches also fall inside a period from your table above, and those are your strongest.

Use these months to decide, not to wait. Use them to settle what has been left open, and to have the conversation that keeps being postponed. Put the arrangements in place early in the stretch, not at its end.

Each row marks a stretch of your life, not an event. In it your judgement, your study, your creative work and your part in children's lives move to the front. Where a row says (now), you are in that stretch today. (Why: the stretch is the sub-period that graha runs, and each brings the affairs of your fifth house forward.)

9 The period you are in now

> **You are in a chapter of your life that lasts 10 years and ends in May 2029. Until March 2027, little changes for children. Your next good stretch for children runs from November 2028 to May 2029. It brings prosperity shared with the family. (Why: Ketu runs this stretch**

inside the Chandra (Moon) period.)

Ten years under the Moon. A period governed by what you feel rather than what you decide. It turns you toward home, family and the people you are attached to, and toward an openness that makes this a good stretch for what needs care and a difficult one for what needs a firm edge.

Period lord	From	To	What it brings for children	For you	What it is made of
Chandra (Moon) (lived) (this reading)	25 May 2019	25 Mar 2020	A new chapter opens; plan around the stretches that follow, which carry what it brings.	Quiet	You get the larger period's themes at full strength. (Why: Chandra (Moon) runs this stretch as well as the larger period, so nothing from another planet is mixed in.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Sevvai (Mars) (lived) (this reading)	25 Mar 2020	24 Oct 2020	Expect a child born into the family. If you are planning a family, this stretch suits it; give the children in your life your time.	Good	(Why: Sevvai (Mars) rules your fifth and twelfth houses and is well placed in your chart.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Sevvai (Mars) is neutral to Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Sevvai (Mars) stands ninth from Chandra (Moon),

Period lord	From	To	What it brings for children	For you	What it is made of
					the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Rahu (lived)	24 Oct 2020	25 Apr 2022	Plan by the last column: this stretch brings no matters of its own.	Quiet	Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Rahu is neutral to Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Rahu stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Guru (Jupiter) (lived)	25 Apr 2022	25 Aug 2023	Expect a child born into the family. Give the children around you unhurried time, and put something by for their future.	Good	(Why: Guru (Jupiter) rules your first and fourth houses and is well placed in your chart. Guru (Jupiter) also stands for children in every chart.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Guru (Jupiter) is neutral to Chandra (Moon).) What you set going

Period lord	From	To	What it brings for children	For you	What it is made of
					earlier comes good now, without being forced. (Why: Guru (Jupiter) stands fifth from Chandra (Moon), the most favourable distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)

Period lord	From	To	What it brings for children	For you	What it is made of
Shani (Saturn) (lived)	25 Aug 2023	25 Mar 2025	Little changes for children. The stretch is more about missteps when you speak in public, bad advice steering your plans and promises that slip.	Quiet	(Why: Shani (Saturn) rules your second and third houses and is not well placed: it is too close to the Sun.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Shani (Saturn) is neutral to Chandra (Moon).) It shows in what you do and in how others see you doing it. (Why: Shani (Saturn) stands tenth from Chandra (Moon), the distance of action.) A mixed stretch: gains and comfort at times, friction with those closest to you at others. (Why: Shani (Saturn) under Chandra (Moon) is the exception at this distance.) Its tie to the larger period is mixed. (Why: that is the Chandra (Moon) period.)
Budha (Mercury) (lived)	25 Mar 2025	25 Aug 2026	Little changes for children. The stretch is more about new clothes and jewellery, work you started	Quiet	(Why: Budha (Mercury) rules your seventh and tenth houses and is well placed in your chart.) What you start in this stretch tends to move without a fight: it works with the larger period, not against it. (Why: Budha (Mercury)

Period lord	From	To	What it brings for children	For you	What it is made of
			carried through to completion and good times with your partner.		is a natural friend of Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Budha (Mercury) stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)
Ketu (now)	**25 Aug 2026**	**26 Mar 2027**	**Plan by the last column: this stretch brings no matters of its own.**	**Quiet**	**Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Ketu is neutral to Chandra (Moon).) Results come to whatever you actually work at. Take the first step yourself; waiting gets nothing here. (Why: Ketu stands third from Chandra (Moon), the distance of effort.) Its tie to the larger period is favourable. (Why: that is the Chandra (Moon) period.)**
Shukra (Venus)	26 Mar 2027	23 Nov 2028	Little changes for children. The stretch is more about	Quiet	(Why: Shukra (Venus) rules your sixth and eleventh houses and is not well placed: it stands in your twelfth

Period lord	From	To	What it brings for children	For you	What it is made of
			loss through theft, being misled and setbacks.		house.) Your own chart decides this stretch; the larger period neither helps nor hinders it. (Why: Shukra (Venus) is neutral to Chandra (Moon).) The stretch turns on something you cannot see at its start. It is demanding, and it leaves you changed and deeper. (Why: Shukra (Venus) stands eighth from Chandra (Moon), the hardest distance.) Its tie to the larger period is strained. (Why: that is the Chandra (Moon) period.)
Surya (Sun)	23 Nov 2028	25 May 2029	Expect prosperity shared with the family. Plan for the children's needs with the family; what you set up for them now holds.	Good	(Why: Surya (Sun) rules your ninth house and is well placed in your chart.) What you start in this stretch tends to move without a fight: it works with the larger period, not against it. (Why: Surya (Sun) is a natural friend of Chandra (Moon).) Luck comes through people: teachers, elders and those who can open a door for you. A fortunate stretch. (Why: Surya (Sun) stands ninth from Chandra (Moon), the strongest good distance.) Its tie to the

Period lord	From	To	What it brings for children	For you	What it is made of
					larger period is favourable. (Why: that is the Chandra (Moon) period.)

Each row is one stretch of years: what to expect in it, and what to do. Plan for the harder side of a stretch when its planet is badly placed in this chart. You see only what bears on this report's subject, and a hard stretch shows at most three items. (Why: each stretch is a bhukti within a mahadasha; a planet is badly placed in the sixth, eighth or twelfth house, in the sign where it is weakest, in an unfriendly sign, or too close to the Sun; Rahu and Ketu rule no house, and a planet's first stretch in its own period adds nothing of its own, so the last column carries those rows.)

Guru (Jupiter) stands for children in every chart. So its own stretches count for children whatever houses it rules, when it is well placed. Badly placed, it brings nothing of its own to children.

Sample (invented birth), this is yours to keep. Come back to it whenever you need it.

10 Your child's own chart, and what no chart can tell

A child's nature, studies and years ahead come from the child's own chart, not from a parent's. No birth star or birth day, Moolam, Chithirai and amavasya included, is treated here as harm to a child or a parent. No chart can see whether a child will come, how a delivery will go or whether a baby will be well. Nothing here says so. If you have lost a baby before birth, nothing in your chart says it was your doing. A day for a first ceremony is on the muhurtham page. A delivery date is for your doctor to set.

Your child's own chart, cast from the child's birth details, is the report “Your baby's first horoscope and name letters, to keep”. The naming days are in it too.

11 The words and checks behind this reading

The words used above, defined — so you can check the reading against them, or hand these pages to the astrologer your family asks.

Each finding follows a classical rule. A dated period describes the kind of time those rules give; it does not fix an event to its dates.

The Tamil edition of this document prints the Tamil month and day beside each dated period as printed Tamil calendars give them: a month begins on the day the Sun enters its sign, by the calendar's own Sun, if it has entered by sunset at the place of birth, and on the next day if not. The chart itself, and every date it reads, is reckoned by Thirukanitha.

For your family astrologer

The charts, planetary positions and settings behind this report. These pages are for your jothidar, who can check every finding in this report against them.

12 Which planets carry children

Some parts of your life have planets behind them and some do not. This is a second reading of the same birth.

Your chart puts a few of them in charge of children. They are ranked below, strongest first.

Planet	Standing
Guru (Jupiter)	strongest
Surya (Sun)	strongest
Shukra (Venus)	strong
Shani (Saturn)	owns it
Sevvai (Mars)	owns it

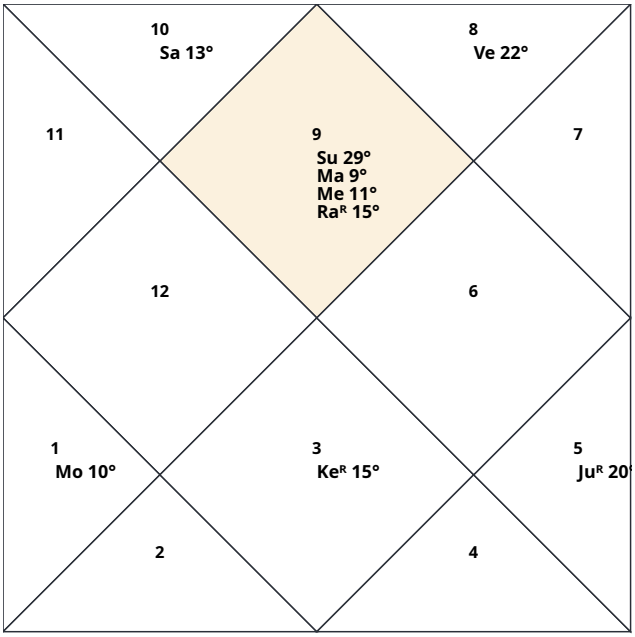
The first one on that list matters most. When its turn comes round, this is the part of your life that moves.

These stretches are theirs: ਨਵੰਬਰ 2028 – ਮਈ 2029, ਨਵੰਬਰ 2030 – ਅਕਤੂਬਰ 2031 and ਜੂਨ 2035 – ਅਕਤੂਬਰ 2035.

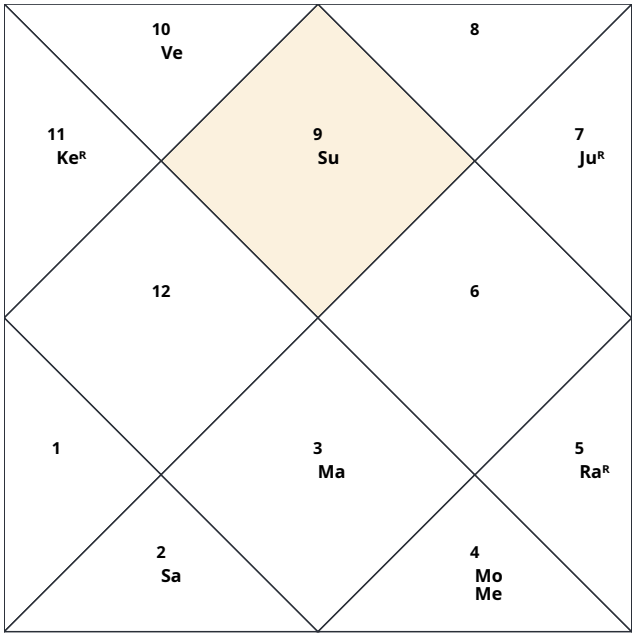
This part may not agree with the rest of your report. Where the two differ, you have both, and neither is held back.

13 Saptamsa (D7) — the fifth house, the house

of children, in the chart divided by seven



Rasi (D1) — your birth chart

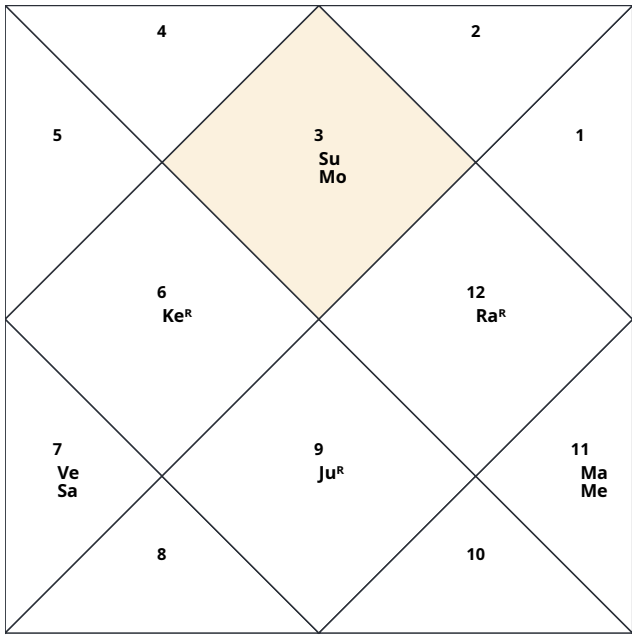


Navamsa (D9) — where each planet's strength is checked

Rasi (D1) — your birth chart

Navamsa (D9) — where each planet's strength is checked

How to read these charts: the diamond at the top centre is your rising sign, and it never moves. Count the houses anticlockwise from it. The number in each house is its sign, 1 for Mesha to 12 for Meena. The short names are the planets in it. (Why: that diamond is your lagna, the first house.)



ısa (D7) — the fifth house, the house of children, in the chart divided by

Saptamsa (D7) — the fifth house, the house of children, in the chart divided by seven

Saptamsa (D7) — the fifth house, the house of children, in the chart divided by seven. The birth chart makes a promise about this part of life. The divisional chart says whether it is delivered, and it stands on its own terms with its own rising sign. Here Mithuna (Gemini) rises. Your fifth ruler Sevvai (Mars) falls in Kumbha (Aquarius) — the ninth from that rising sign.

That is a fortunate position in the divisional chart — the fifth or ninth. What your birth chart promises here arrives with support behind it.

14 Where the planets stand

Planet	Sign	Degree	House	Star	Strength
Surya (Sun)	Dhanus (Sagittarius)	29°22'	1	Uttara Ashadha 1	Friendly sign
Chandra (Moon)	Mesha (Aries)	10°44'	5	Ashwini 4	Neutral
Sevvai (Mars)	Dhanus (Sagittarius)	9°42'	1	Mula 3	Friendly sign
Budha (Mercury)	Dhanus (Sagittarius)	11°56'	1	Mula 4	Neutral
Guru (Jupiter)	Simha (Leo)	20°33' ℞	9	Purva Phalguni 3	Friendly sign
Shukra (Venus)	Vrischika (Scorpio)	22°30'	12	Jyeshtha 2	Neutral
Shani (Saturn)	Makara (Capricorn)	13°36'	2	Shravana 2	Own sign
Rahu	Dhanus (Sagittarius)	15°22' ℞	1	Purva Ashadha 1	—
Ketu	Mithuna (Gemini)	15°22' ℞	7	Ardra 3	—

Your Sun stands in Dhanus (Sagittarius). Western astrology would call it Makara (Capricorn). Both are measuring the same sky from different starting points. This document counts from the fixed stars, the Western one from the spring equinox.

The two have drifted 23° 45′ apart, which is the whole difference. That gap is why the sign you may already know is usually the one after this. Everything in this document uses the sidereal position.

Ayanamsa	Lahiri (Chitrapaksha)
Ayanamsa value	23° 45′ 3″
House system	Whole sign (rasi)
Rahu and Ketu	Mean nodes — the smoothed node, which is what every printed almanac uses
Dasha year	Julian year (365.25 days)

These four choices decide the numbers above. An astrologer working from a different setting will get a chart that disagrees with this one. The disagreement is in the convention rather than in the arithmetic. That is the first thing to check when this chart and one you already have disagree. (Why: a different ayanamsa or a different node gives different numbers.)
